Well done to all who entered the Mad Hat Competition. Easter Bunny arrived in style and the children enjoyed the Easter egg hunt. The event was sponsored by BVWCA. NORTH WEST RAIL LINK:

Did you know Norwest is one of the fastest growing employment centres in Sydney? About 15,000 people travel here for work every day, including from major Australian and international companies, and this is expected to grow to 30,000 by 2031. Visit their Facebook page update on 17th March (facebook.com/NorthWestRailLink) and take a look at the new underground Norwest Station servicing this booming area, one of our eight new stations. The platforms will be about 20m below the surface while, above ground, there will be new bus and taxi bays, kiss-and-ride spaces and bicycle storage. Both Tunnel Boring Machines have broken through the station and are on their way to Showground station.
